Sustainability

The Company has implemented a comprehensive programme incorporating broad sustainability considerations in its approach to investment through: negative screening, thematic investing (positive screening), and ESG scoring using an internal, proprietary scoring methodology. These three areas are independently assured and reported on every half year.

- 1. All information based on settled investments only i.e. excluding pending transactions.
- 2. Average life is the weighted average of the times of the principal repayments.
- 3. Average maturity is the average date on which the final payment is due on a loan.
- 4. Modified duration is the ratio of percentage increase in price to decrease in yield.
- Inclusive of interest rate swaps.
- 6. For the twelve months ending 30 September 2025. The OCR is calculated in line with AIC guidance.
